Description of the quality

Rustic A means a technically advanced product, dried flat and straight containing hardly any end-cracks. Perfectly suitable for slicing purposes. This is a light rustic quality containing a high percentage of boards with higher quality. The boards can contain knots up to approximately 45 mm (10% can be slightly bigger). Closed heart at one face of the board is allowed. This production is nearly free of sapwood. All boards are premium graded.

Frontside unplanned

Backside unplanned

Common usage

Rustic A can be used for products such as: Flooring boards, Furniture boards and Lamellas

Premium Graded Premium processed

We value our quality and want to offer the best possible value for your money. Therefore all our boards are selected and treated with utmost care.
